ORDER

18-CV-0082 (KNF)

In this action brought pursuant to the Fair Labor Standards Act, the parties resolved their dispute following a settlement conference convened by the Court. The terms and conditions under which the parties agreed to resolve their dispute were reduced to a writing, which was submitted to the Court for its review and approval. Thereafter, a conference was held with the parties during which the Court identified certain provisions in the parties' written settlement agreement which had to be modified. The parties have modified their written settlement agreement and have submitted it to the Court for its review. See Docket Entry No. 58-1.

Based upon the review of the parties' written settlement agreement, as modified, and the discussions had during the above-referenced conferences, the Court finds that the settlement is fair and reasonable. Therefore, the Court approves the parties' settlement agreement and dismisses this case with prejudice.

The Clerk of Court is directed to record this case as closed on the docket sheet.
